These are events that are held annually each year for all members of the MTH club and their families. If we do not get volunteers for each of these events, the club has to cancel the event. That is what happened to the January Potluck Dinner this year. No volunteers to help, so the Potluck Dinner was canceled. Please contact the club President or any Officer or Board Member to volunteer. Each year very few members volunteer and the same people end up struggling to put on each event for all the members. Please, let's all do our part for the MTH club.
