PRESIDENT PAUL C. LEONARD'S MESSAGE FOR MARCH

Every month newsletters from United States and reading them as I nor-President's Message.

MTH receives a number of metal detecting clubs across the Canada and I've just finished mally do before I write my

It's quite interesting to read how these other clubs operate, how large (or small) their membership is, what types of hunts they put on, what they're finding, etc., etc. For instance, I just read in the newsletter of the Thames Valley Metal Detectors Association of London, Ontario that if you find, or lose, a high school or college ring, there's a website that provides a directory of lost and found class rings. I went to the website at www.classringfinder.com and found it can be a very useful tool—especially for people in our hobby—for returning rings to their rightful owners. As a matter of fact, I've got a few rings that I've tried to return without luck. Maybe this will do the trick and thanks Thames Valley for your helpful information!

I hope that all of you can make it to our March 27th meeting because our speaker will be Mr. Jon Oliver of Ferndale, an expert on the life and death of one of the most famous magicians of all time: Ehrich Weiss, AKA Harry Houdini. Not only will Jon tell us about Houdini the magician and performer, he'll show us some of the items (handcuffs, etc.) that Houdini personally used in his performances. This should prove to be quite a presentation and my thanks go to MTH member Chuck Chandler (our resident lock expert) for telling us about his good friend Jon.

I'm sure many of you are chomping at the bit to bring in your finds for Find of the Month, which resumes at our March meeting. Remember, any item found after the November meeting and up to the March meeting is eligible for entry. I'm sure that there will be some Florida finds, maybe some from Aruba or the Bahamas, or maybe some from out West—and I do look forward to seeing them all.

Don't forget that our annual Open House is just around the corner, April 24th to be exact! If you'd like to show off your past finds and exercise a few bragging rights, this is the time and place to do it. And remember, every individual who sets up a display will receive a raffle ticket to be entered in the drawing for a gold coin. So start early at getting those displays ready!

One last but very important reminder: **THE MARCH 27TH MEETING STARTS AT 8:00PM DUE TO LENTEN SERVICES AT FAITH LUTHERAN CHURCH.**

I hope that you can make it to the meeting!

Paul

VOLUNTEERS NEEDED FOR MILAN FALL HUNT

After running the Milan Fall Hunt for several years, Larry Prested would like for someone to step up and run the hunt in 2007.

Several other volunteers are also needed to help out with the hunt.

If you are willing to take over the hunt or help out, contact Larry Prested or any other club officer.

Since Larry is the club treasurer, he can be found seated at the front table at the meetings.

Visit our web page at www.michigantreasurehunters.com for more club details.

Remember, "We leave it cleaner than we found it."

NEWSLETTER OF THE MICHIGAN TREASURE HUNTERS CLUB

UP CLOSE AND PERSONAL

By Tom Klisz

Several years ago we had a column in the club paper that was devoted to getting to know more about our fellow club members. Perhaps, it is time to bring it back again.

Our first club member who agreed to talk to this reporter was David Picard, a newly elected board member.

Dave and his wife, Marjorie, joined the club about five years ago. They have a daughter Katherine who is an attorney and a son, Christopher who is in his last year at Madonna University majoring in business. Dave is a retired Lieutenant from the Wayne County Sheriff's Department and has degrees in Biology and Chemistry which he put together with a Master's degree in Criminology while working in the crime lab for the county.

Dave heard about MTH from a hobby shop on Five Mile in Livonia and he and Marjorie came to a meeting to check us out. After joining MTH, Dave has sharpened up his Whites MXT and Fisher Aquanaut at their summer home in Naples, Florida. While still looking for his first good ring or coin, he feels it will just be a matter of time until he scores a big one. It's the thrill of the hunt.

Besides, treasure hunting, Dave collects coins and does woodworking around the house. When asked about the club, Dave said he was sorry to see some events like the Fall Hunt and the January Potluck cancelled due to a lack of interest. As a new board member, Dave will work actively to try to create interest in all our events and help create some new ones. He loves the camaraderie of our club and especially the Autumn Weekends where he feels everyone treated their family with genuine friendship. Dave also feels that the club returns many fold benefits for the low cost of membership. With members like David and Marjorie Picard, MTH is on the right track.
